the NANDI BEAR TENANTS

BLAISE KOLODYCHUK
PRESENTS:

THE NAUGHTY BEAR TENANTS

In the mysterious and strangely empty Peanut Butter Dimension... They follow Captain Trash across the empty wasteland until they come across a strange tower.

This is it.. From what I can tell, your friend is inside this building.

Do you sense any other animals inside?

I don't know, everything is very strange.

I sense something.. Something that defies explanation. We must be careful. Lets go.

I don't get it. It's just an empty room, there isn't even any doors.

I thought you said Galaxy was in here.

He is... somewhere.. I can't explain it.

Look at the wall!

A black dot.

That grows.

And grows...

And grows....

And opens its EYES.

Who are you, and what have you done to the Peanut Butter Dimension?

And where is my brother Galaxy?

I AM THE DARKNESS. I HAVE REMOVED EVERYONE IN THIS DIMENSION AND SHAPED IT TO MY WILL.

You can't do that!

CLEARLY I ALREADY DID. IF YOU DON'T LEAVE NOW I WILL HAVE TO REMOVE YOU AS WELL!

To where?

WHERE I SENT THE REST...

Why?

TO MANY QUESTIONS!

And he engulfs the group within the blackness of his own heart.

FOOLS.

Guys? Where is everyone? Actually... Where am I?

Each one finds themselves...

Completely and...

Totally alone.

Wow.. This really is darkness.. Nothing, no one.

I wonder if this is where Galaxy is also... somewhere in this darkness, all alone... like me.

That darkness guy is a total idiot.

Maybe I should have stayed in the dinosaur nest.

Okay, first thing I need to do is contact everyone... they can't be that far.

Everyone! I hope you are okay! I am going to link our minds so we can communicate!

Pattee, thank goodness, it's good to hear your voice in my head... for once.

Okay, I have scanned the mind of our enemy and I believe that if each of us uses our special gifts to defeat the villain, it may be enough to not only break us free, but our powers should be able to mix with his energy and make this dimension of darkness unstable enough to fall apart.

And bring back the Peanut Butter Dimension the way it was!

Exactly.. Now everyone give it all you got.

Pattee! What are we aiming for? This place is nothing!

It seems like nothing, but within the nothingness of reality there always hides substance.

That was beautiful. Lets do this and bring back that bear!

And they all begin to use their powers...

Captain Trash links to the darkness to stop him from struggling...

Dorriss stretching the limits of her warlock abilities...

Pattee works to combine everyone's efforts...

Raca spreads her goo to make the darkness more grey...

And Veltrax does what he does best...

Pattee, is it working? Are we breaking down the barriers? I'm blasting my arms off!

I don't think so, and if we don't go all the way, I'm scared that instead of saving the peanut butter dimension, we may actually destroy it! Everyone try harder!

I'm blasting more nothing than I ever thought possible!

My goo is seriously turning this place a lighter shade of black!

I'm exhausted, I have never pushed my powers this far before!

And Naiad?

I got nothing, you know I don't have any super powers like you guys. All I got is a freaky bear eyeball that I hide behind my hair.

Naiad! You Fool! We can't do this without you!

What are you talking about?

Concentrate Naiad! You are the only one here with a direct bloodline to the Peanut Butter Dimension! Only your memories and love of the Peanut Butter Dimension and your brother will bring it back instead of causing it's destruction! Naiad! You can do this!

I'll do my best.

And Naiad did her very very best.

And like that, in the blink of an eye, they are all returned to a completely restored and beautiful Peanut Butter Dimension, everyone on the planet free. Even a certain Galaxy Bear.

Galaxy! I missed you so much!

You too Naiad! I was trapped in a strange dark place...

The entire Peanut Butter Dimension was. But with your sister's help, we have rescued absolutely everyone.

Because we are amazing superheroes! Good to see you Galaxy!

Good to see you again Veltrax. Who is this dark beast?

I WAS YOUR CAPTOR, BUT IT'S TRUE, THESE PEOPLE DEFEATED ME. AND YOU HAVE BROKEN DOWN MY DARK POWERS SO MUCH THAT I COULDN'T EVEN HIDE A BLACK CAT ON A BLACK SOFA IN THE MIDDLE OF THE NIGHT.

You are clearly a misguided young man, but I offer this dimension as a home to you, if you will leave it the way it is.

I'm terribly sorry to hear that. I can kind of relate.

I DEVOURED THIS PLACE SO I COULD BE ALONE. BEING AROUND PEOPLE, WELL, TO BE HONEST IT MAKES ME VERY NERVOUS AND I DON'T KNOW HOW TO ACT, AND BASICALLY I TEND TO MAKE A FOOL OUT OF MYSELF.

NOW WITHOUT MY POWERS I DON'T KNOW WHERE I WOULD GO, OR EVEN HOW I WOULD GET THERE.

I hope you understand why we had to defeat you though right? To be fair, you consumed like millions of people and destroyed pretty much everything here.

I UNDERSTAND DORRISS. HIND SIGHT IS 20/20.

Meanwhile the Moon Twins are still keeping watch.

And with a touch of a finger, the Darkness is gone.

We have sent The Darkness to a suitable place where he can be free of humanity while not having to destroy anything. The portals between Earth and the Peanut Butter Dimension are opened again. Good work Nandi Bear Tenants!

Galaxy, won't you come back with me for a bit? We are all living in Auntie Nandi Bear's old house.

Wow, the Moon Twins.. They freak me out.

Ahhh, Nandi Bear. What a lovely lady she was.

You knew her?

I'll tell you all about her sometime.. Lets get out of here!

A short skip through another dimension and we return to the Nandi Bear Mercantile...

Where is Captain Trash?

Rose here took us to something called hot yoga last night. My shape changed and now I look more like one of the people from your planet. I'm not sure how I feel about it.

We dropped him back home. He said he had to feed his cat.

Wow, Klor! What happened to you?

Meanwhile I spent all night freeing myself from the glass prison these fools put me in.

Sorry about that Rick, we just forgot you were in there when we left.

It's okay, for me time is simply an abstract concept anyway.

Naiad?

Yes?

I really have no desire whatsoever to go back to the states and become a circus freak again... is there anyway you could find some space for me here?

Raca, there is lots of space here for good people like you!

When through the door walk our favourite two customers

Good news everybody!

COOL TOWN

What happened?

Floyd knows a lawyer that is going to help my room mate. She should be back in town by tomorrow!

Seriously, who is this Floyd guy?

So guys, what's the scoop on the ice cream?

The shipment came in this morning!

Finally!

The bad news is everything was melted.

Well whats the good news?

COOL TOWN

Our new specialty is ice cream soup... and it's delicious!

When suddenly STENSOR crashes through the door!

WHAM!

Stensor!

Naiad, everyone, I need your help!

What is it Stensor?

My mission went badly and I need everyone to come with me. I accidentally brought Super Punk back from the dead, and he is threatening to destroy the entire planet!

You seriously can't do anything right, can you.

It's just bad luck, I swear.
